Response to Office communication mailed 11/17/2006

concerning my 08/29/2006 revision to claims.

The limitation questioned and located on lines 24-26 of the revised claims recites "with the centerline of the drive spindle 2 the same centerline location above the base 8 as that of the pilot pin 5". THIS LIMITATION WAS ENTERED IN ERROR.

Correction of the claims is requested as shown below in compliance with Rule 1.121 (g) Exception for examiners amendments. Please delete by strike-through from lines 24-26 the following:

~~**"with the centerline of the drive spindle 2 the same centerline location above the base 8 as that of the pilot pin 5"**~~

**Please retain the semicolon at the end of line 26 as it relates
to "the drive spindle 2;" and thus is ending punctuation to
line 24.**

Thank You; Respectfully, James Alfred White

James Alfred White
